School and Office Supplies
Industry and Trade Limited Company

New Year, New Vision

Akyazi School and Office Supplies Ltd. was established in 1968 as a manufacturer company of ruler in the workshop which has 60 m² area. Nowadays, Akyazi which produces new products through customers demands manufactures 35 different products (every product has a lot of sizes) under 10 main categories in the building situated in Kagithane and in the factory built in Habibler, Istanbul.

Akyazi making expanding operations of the factory built in Habibler so as to give their customers better service and redound the production capacity is now making production in the area of 3000 m². After the completion of the factory expanding operations, It will go on serving with an area of 5800 m² in total which consists of a covered area of 4800 m² and an open space of 1000 m².

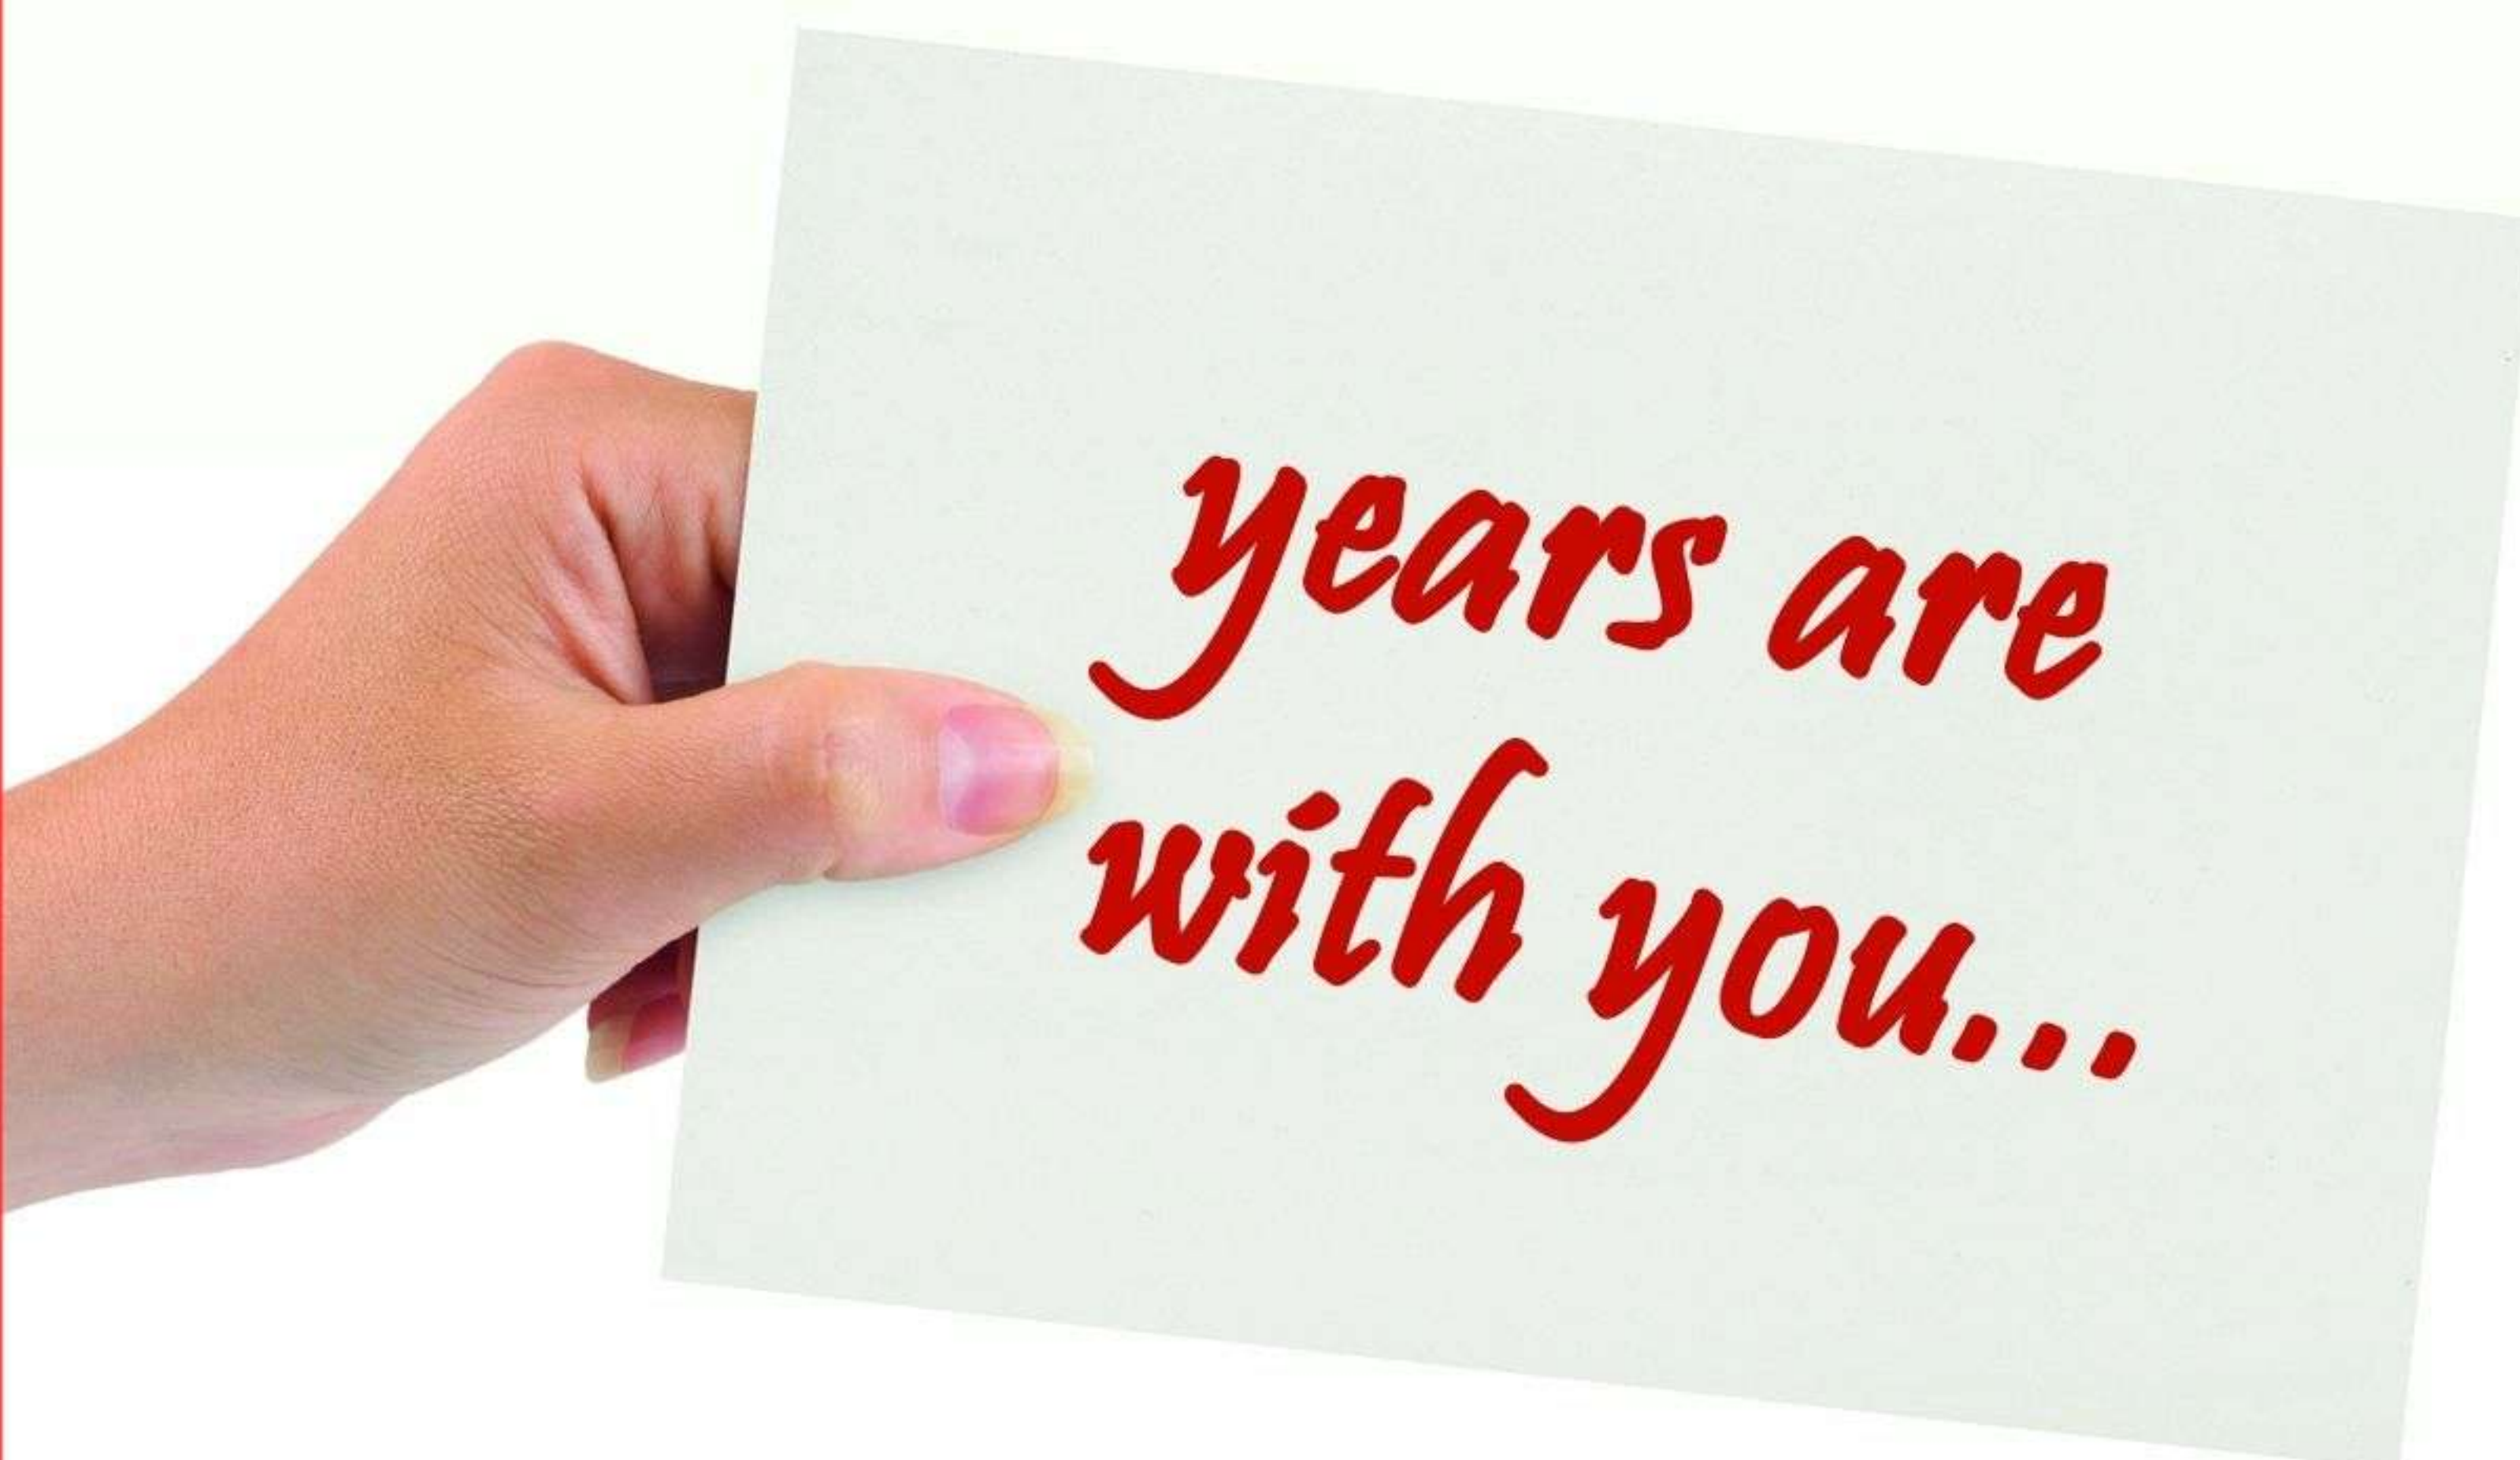

Akyazi having a wide variety of products which consist of primarily whiteboards and notice boards, drafting tables, wooden desk organisers, ruler sets, display products, duster is taken its place in the pioneer companies of the stationery sector because of the both service quality given and producing quality products. All the products which are produced in standard in standard sizes are also produced in the special sizes on customers demand.

Akyazi is not only working actively in Turkish market but also pursuing the promotional activities in the foreign markets and showing its existence in the international field by exporting to 18 countries besides making all necessary operations to introduce Turkish product and its quality in the new markets

Akyazi which is aware of the responsibility to the environment is not leaving any waste which is harmful to the environment may occur during production or after production

Akyazi enterin 2015 with a new vision is grateful to all customers and business partners who are working with Akyazi and forming market by promoting its products and bringing the new vision to Akyazi by the help of their ideas given

Everything started with writing, it is going on with Akyazi
