Paper Mate®

Pens

3

Let's get a smooth start.

Designed with your needs in mind, Paper Mate® pens make day-to-day writing effortless. With a smooth writing ink system, they'll get your thoughts out, and go wherever your ideas lead.

Paper♥Mate®

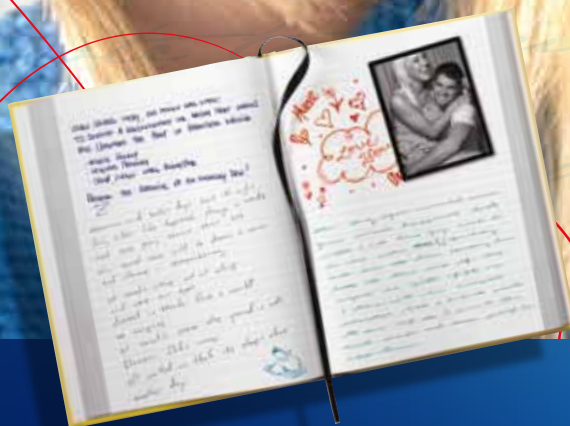

The InkJoy™ story

Our mission was simple: To develop a revolutionary ink system that would give you the best in effortless writing. We wanted to give you a pen that starts quickly without dragging, requires minimal pressure from your hand, and delivers crisp, clean lines every time. But most of all, we wanted to bring back the joy to writing, so it felt right to call it InkJoy. We hope that you feel the joy whenever you write with an InkJoy pen.
